APPENDIX 2

BANNED CONDUCT

PLAY FOR YOUR CLUB. PLAY FAIR.

1 THE SPIRIT OF THE PLATINUM LEAGUE

The Platinum League is a competition between clubs that share the same brand and the same values. It rests on three pillars:

FAIR PLAY

Clubs compete with their genuine activity. No shortcuts.

RESPECT

Towards other clubs, fitboxers and the brand.

PURPOSE

Train. Be consistent. Have fun. Grow your club.

BREACHES HAVE CONSEQUENCES

These three pillars define the spirit of the Platinum League. To protect them, Brooklyn Fitboxing International (BFI) has defined a series of banned practices, contrary to our values, which may be penalised.

2 BANNED CONDUCT

Each club shall be responsible for ensuring that none of the following conduct takes place:

PROFILES AND DATA

- × Creating fictitious or duplicate profiles.
- × Reusing inactive profiles.
- × Training or recording attendance using another person's profile.

CLASSES AND SENSORS

- × Tampering with sensors, devices, results or any competition data.

CAMERAS

- × Switching off, disconnecting, covering, moving or tampering in any way with the club's cameras.

CUSTOMER EXPERIENCE

- × Any practice which, in order to improve the club's score, worsens the fitboxer's experience or prevents them from enjoying their workout.

PLATINUM LEAGUE BRAND

- × Using Platinum League images, logos or materials other than the official ones provided by Brooklyn Fitboxing.
- × Organising the club's own competitions or events, or producing belts, trophies or other branded materials, without the written authorisation of Brooklyn Fitboxing.

BEHAVIOUR

- × Insulting other clubs, fitboxers or Brooklyn Fitboxing in any setting, including on social media.
- × Failing to cooperate with Brooklyn Fitboxing or providing it with false or incomplete information.

Any conduct contrary to the spirit of the Platinum League or to the values and image of Brooklyn Fitboxing is prohibited, even if it is not expressly set out in these rules.

EXCLUSION FROM THE PLATINUM LEAGUE

Engaging in any of the conduct described in this appendix shall constitute a breach of the rules and may result, at Brooklyn Fitboxing's sole judgement and discretion, in the immediate exclusion of the defaulting club from the Platinum League.

3 FINAL PROVISIONS

Brooklyn Fitboxing reserves the right to refuse admission to, suspend or exclude any club from the Platinum League at any point during the competition, always on objective grounds.

Participation in the Platinum League implies acceptance of these rules.
